CHRISTMAS SHOP

Wouldn't it be nice to receive a surprise present from your child this Christmas?

Once again, we will be running a Christmas Shop this year so, you could do just that!

The shop will be open from **Tuesday 1st December**, until Friday 4th December . Every child will have the chance during these days to choose a gift, buy it, wrap it up and write a label, with help from school staff. We will then keep the gifts until the end of term (so that you don't shake and squeeze them before Christmas!)

What we need first though, are some gifts to get us started! If you have any unused, unopened, unwanted gifts (toiletries, gadgets, books, socks, chocolates etc) for **both men** and **women**, please let us have them to stock the shop! We would also like to appeal for donations of any Christmas wrapping paper and labels; maybe you have some left over from last year. Please send donations to school by Thursday 26th November to enable us to prepare for opening the shop in time. Thank you!

We will send a further letter regarding the children bringing in their spending money at a later date.

The money raised by our Christmas Shop helps to support the cost of the magician and the Christmas entertainers that will be performing their exciting shows at school during this festive time!

We hope you will be supportive of this initiative, which will help the children learn about giving at Christmas.

Many thanks for your support

Helen Taylor
