7th January 2025

Star Gazing Evening – Monday 20th January 2025

Dear Parents & Carers,

This term our project is 'Space'. This is always an exciting project and the children will be asking lots of exciting questions as they gain more knowledge and vocabulary.

We would like to give the children an opportunity to share what they are learning and to do some fun activities with you. So with this in mind we are planning an exciting evening where the children can share their learning with their family and take part in fun activities.

The evening will be held on Monday 20th January, 4pm – 5pm. Children must be accompanied by an adult for the whole evening, and we would also like to invite siblings to come and join in.

To cover the cost of this event we would like to request a donation of £3.00 per family. You can pay via School Gateway or by cash (in an envelope marked with your child's name and 'Star Gazing').

Children are very welcome to come to this event in Space themed dress-up if they wish!

To help us to plan for this event please could you complete online form below by Thursday 16th January:

[Star Gazing Evening form](#)

Finally, to help us to prepare for one of our activities, please could we request donations of cardboard tubes (such as toilet/kitchen roll tubes)? Thank you!

We are looking forward to this special event and do hope that you will be able to join us.

The Year 1 Team
