

OOH, OOH, SINGING THE BLUES

Donkey Solo

- 1 I have walked down many roads
And I have carried many loads,
It's no wonder that I sang the blues.
I have walked 'cross desert plains,
Dusty tracks and narrow lanes,
It's no wonder that I sang the blues.

All

CHORUS 1 *Ooh, ooh, singing the blues,
Ooh, ooh, I need new shoes,
Ooh, ooh, singing the blues.*

Donkey solo

- 2 Joseph came to me one day,
Joseph solo
Donkey will you walk this way?
Donkey solo
It's no wonder that I sang the blues.
It's a long, long way to Bethlehem,
I don't think I could do it again,
It's no wonder that I sang the blues.

CHORUS 1

Donkey solo

- 3 There's this guy that you should meet,
Just a baby, oh so sweet,
He's made me stop singing the blues.
A baby king, a baby boy,
A sign of peace, a sign of joy,
He's made me stop singing the blues.

All

CHORUS 2 *Clip-clop, clippety-clop,
Clip-clop, He's made me stop,
Ooh, ooh, singing the blues.*
Donkey (spoken) *One more time!*

All

*Clip-clop, clippety-clop,
Clip-clop, He's made me stop,
Ooh, ooh, singing the blues.
Ooh, ooh, singing the blues.*
