

OUR NURSERY SCHOOL

Why choose Banks Road
Nursery School?

We offer flexible 3 hour sessions: choose mornings, afternoons or a combination or both.
You can use 30 hour Government funding & top up with additional hours if needed.

Each class is led by a fully qualified & experienced teacher. We also have highly qualified
Early Years staff who support children with Special Educational Needs or Disabilities.

Your child can start in September or January following their 3rd Birthday.

We enable your child to make the best possible start to school!
We are welcoming, nurturing & supportive of the whole family.

Children who attend our Nursery make a seamless transition into Reception as they are already
familiar with the staff & the environment.

Nursery children benefit from mixing with Reception age children.

We are an OPAL School - we have outstanding outdoor provision & we learn through outdoor
play, which helps to develop many crucial areas of learning.

We have a Forest School garden and include regular Forest School sessions.

We work closely with Speech and Language Therapy services.

We offer affordable wraparound care before & after school.

Rattle & Roll (an external company) provide regular Holiday Clubs at Banks Road.
